# INSULBOOT® THRU WITH RISER CONNECTIONS

**Standard Range** – Our standard range of Thru with Riser connections exceed 64 different configurations. Main Bus size and Riser size range from 1/4" by 2" to 3/4" by 8".

**Free Design Services** – E-mail or fax your Bus layout and we will design and supply drawings of the InsulBoot to suit your needs, usually within 2-3 days. E-mail [sales@insulboot.com](mailto:sales@insulboot.com) or fax 215-766-2222.

**Custom InsulBoot** – If it is not possible to meet your specifications from our range of standards, we will design and mold a custom InsulBoot to suit your applications, usually within 7 days.
